Dealer notes

Experience modern American luxury in this 2026 Lincoln Aviator Reserve, beautifully finished in Whisper Blue Metallic Clearcoat over Hot Chocolate premium leather seating surfaces. This sophisticated combination pairs a subtle blue exterior with a rich, inviting cabin, giving this three-row Lincoln a distinctive presence. With an original MSRP of $73,555, this example features an impressive collection of desirable factory upgrades. CARFAX reports just one owner and no accidents or damage, and our inspection reveals no detectable evidence of either. This Aviator has spent its entire life here in Southern California, where the generally mild climate and limited exposure to harsh winter conditions provide an excellent environment for vehicle preservation. Freshly serviced and ready for its next chapter, this beautiful Lincoln simply needs a loving new home. Under the hood, a 3.0-liter twin-turbocharged V6 pairs with a 10-speed automatic transmission and rear-wheel drive to deliver smooth, confident acceleration. Whether navigating city streets or settling into a long highway journey, the Aviator combines substantial power with the comfort and composure expected of a Lincoln. This example's Jet Package adds a more assertive appearance, highlighted by 22-inch Ebony Black-painted wheels with black center caps. The Illumination Package adds an illuminated Lincoln Star and adaptive pixel LED headlamps, beautifully complementing the Aviator's sculpted bodywork and elegant proportions. Inside, the panoramic Vista Roof fills the cabin with natural light, while heated and ventilated front seats, a heated steering wheel, ambient lighting, and quad-zone automatic climate control help keep everyone comfortable. Equipment Group 200A includes a head-up display and Lincoln's Auto Air Refresh system, adding further convenience and refinement. Technology is thoughtfully integrated throughout, including a 13.2-inch center touchscreen, 12.4-inch digital instrument cluster, wireless charging, and Phone As A Key capability. Second-row passengers enjoy their own touchscreen for audio and climate controls, while the PowerFold third-row seats make transitioning from passenger space to cargo room exceptionally convenient. A 360-degree camera and Lincoln Co-Pilot360 Drive 2.0 provide added assistance behind the wheel. With its distinctive colors, desirable factory packages, and freshly completed service, this one-owner Aviator Reserve offers an exceptional blend of style, comfort, performance, and everyday versatility. Shipping, Financing & Protection Plans Supreme Motors offers financing assistance for qualified buyers and regularly arranges nationwide vehicle transportation.
