Dealer notes

An incredibly rare and unique opportunity to own a 1960 Lotus Elite, one of the most distinctive and beautifully designed British sports cars of its era! Known for its lightweight fiberglass construction, elegant styling, and impressive racing heritage, the Lotus Elite is a true standout among classic European sports cars. What makes this particular example even more intriguing is its alleged ownership history, as it is believed to have once belonged to Eartha Kitt, the legendary actress and singer who famously portrayed Catwoman in the early 1960s Batman television series. This fascinating potential celebrity connection adds an extra layer of history and collectibility to an already exceptional classic automobile. Whether you're a dedicated Lotus enthusiast, collector of rare European sports cars, or simply looking for something truly different, this 1960 Lotus Elite is a remarkable piece of automotive history!
