Dealer notes

1979 MG Midget Convertible. MG convertible this car has the four-speed manual transmission. It has the Webber carburetor and appears to have had an older mechanical and cosmetic restoration. The BFGoodrich tires all in great shape, the convertible top is in good shape with nice clear windows, it comes with a few service manuals and other literature. We would not call this car a show car but an excellent driver quality car even has an additional spare and extra parts in the trunk area. This is a good, affordable, fun cruiser or addition to someone\'s showroom or collection and best part is it doesn\'t take up much room.
