Dealer notes

2020 Toyota Tundra SR5 CrewMax 4x4 – 74,211 Miles Finished in Magnetic Gray Metallic over Black fabric upholstery, this Tundra SR5 combines 5.7-liter V8 power, four-wheel drive and the passenger space of a CrewMax cab. Its 5.5-foot bed and spray-on bedliner add practical utility for work, weekend projects and carrying gear. The 5.7-liter i-FORCE V8 is rated at 381 horsepower and 401 lb-ft of torque and is paired with a 6-speed automatic transmission. Part-time four-wheel drive uses an electronically controlled transfer case, while an automatic limited-slip differential helps manage traction. The standard Tow Package includes a hitch receiver, 4.30 axle ratio, engine and transmission cooling equipment, TOW/HAUL mode, a heavy-duty battery and alternator, and an integrated 4-/7-pin connector. Originally priced at $43,313 including delivery, processing and handling, this Tundra includes a $579 spray-on bedliner and $239 carpet floor mats with door-sill protectors. Its exterior equipment includes 18-inch wheels, halogen headlights with LED daytime running lights and front fog lights. The cabin features a split-folding front bench with adjustable front seating and a 60/40 split fold-up rear seat. Audio Plus provides an 8-inch touchscreen, hands-free Bluetooth calling and music, USB connections, Android Auto and Apple CarPlay compatibility. An integrated backup camera adds convenience. Toyota Safety Sense P includes a Pre-Collision System with Pedestrian Detection, Dynamic Radar Cruise Control, Lane Departure Alert and Automatic High Beams, while trailer-sway control and the Star Safety System support the driving setup. For a buyer seeking a V8 pickup with a spacious cab and straightforward truck utility, this Tundra pairs its CrewMax layout with four-wheel drive, towing equipment and useful smartphone connectivity.
