Dealer notes

STATE CERTIFIED REBUILT TITLE – 2017 Ford Taurus SEL AWD – ONLY 69,630 Miles – AMAZING SERVICE HISTORY – 3.5L V6 – Equipment Group 201A – Navigation – White Gold Experience the perfect combination of full-size comfort, dependable V6 performance, and year-round driving confidence with this beautiful 2017 Ford Taurus SEL AWD. Finished in elegant White Gold over a sophisticated Charcoal Black interior, this well-equipped sedan has only 69,630 miles and an exceptional documented service history. Powered by Ford's proven 3.5L Ti-VCT V6 and equipped with intelligent All-Wheel Drive, this Taurus delivers smooth acceleration, comfortable highway cruising, and confident traction through Michigan's changing seasons. What makes this particular Taurus especially attractive is its combination of low mileage, excellent maintenance history, Equipment Group 201A, factory navigation, and desirable AWD capability. For buyers searching for a spacious, comfortable sedan without spending luxury-car money, this Taurus represents an outstanding opportunity.

Vehicle History & Condition This Ford Taurus carries a State Certified Rebuilt Title following previous right-front-end damage. Only 69,630 Miles Exceptional Service & Maintenance History Previous Right-Front-End Damage NO Structural Damage NO Airbags Deployed Repairs Completed Inspected & State Certified Vehicle History & Service Records Available for Review The previous damage affected the right-front portion of the vehicle. Importantly, there was no structural damage, and none of the airbags deployed. Following repairs, the vehicle completed the required state inspection and certification process and was issued its rebuilt title. Another major highlight is the vehicle's amazing service record. Consistent maintenance is especially valuable when shopping for a pre-owned vehicle, and this Taurus has a history that helps it stand apart from many comparable vehicles.

Why This Ford Taurus Stands Out The Taurus is one of Ford's most comfortable traditional full-size sedans, offering generous passenger space, a smooth ride, and excellent highway manners. This particular example stands out for several reasons. First, the 3.5L V6 provides strong naturally aspirated performance without relying on a turbocharged engine. Second, the AWD drivetrain adds valuable traction during rain, snow, and changing road conditions, making this sedan an excellent option for Michigan drivers. Third, the exceptional maintenance history and relatively low mileage make it especially appealing for buyers who prioritize previous vehicle care. Finally, the White Gold exterior, Equipment Group 201A, navigation system, and rear spoiler create an attractive combination of comfort, technology, and styling.

Vehicle Overview 3.5L Ti-VCT V6 Engine 288 Horsepower 254 lb-ft of Torque 6-Speed Automatic Transmission Intelligent All-Wheel Drive SEL Trim White Gold Exterior Charcoal Black Interior Equipment Group 201A Voice-Activated Touchscreen Navigation Rear Spoiler California Emissions System Equipment Group 201A – Comfort & Convenience The desirable Equipment Group 201A enhances the Taurus SEL with additional convenience and technology. Interior highlights include, as equipped: Power-

Adjustable Front Seats Dual-Zone Automatic Climate Control Remote Keyless Entry Intelligent Access with Push-Button Start Remote Start Leather-Wrapped Steering Wheel Cruise Control Power Windows & Door Locks Driver Information Display Spacious Rear Passenger Seating Generous Trunk Space The Taurus offers an exceptionally comfortable cabin, making it an excellent choice for commuters, families, and drivers who spend considerable time on the highway. Technology & Entertainment This Taurus features desirable factory technology, including: Voice-Activated Touchscreen Navigation Ford SYNC Infotainment System Touchscreen Display Bluetooth Connectivity Hands-Free Calling Voice Commands SiriusXM Capability USB Connectivity Steering Wheel Audio Controls Rearview Camera The factory navigation system is a particularly useful upgrade, providing convenient route guidance without requiring a separate navigation device. Safety & Driver Assistance The Taurus SEL offers a solid selection of safety and stability features, including: AdvanceTrac Electronic Stability Control Traction Control Anti-Lock Braking System Rearview Camera Rear Parking Sensors, as equipped Tire Pressure Monitoring System Front & Side Airbags Safety Canopy Side-Curtain Airbags Electronic Brakeforce Distribution Hill Start Assist Its AWD system adds another level of driving confidence during challenging weather conditions. 3.5L V6 Performance & AWD Capability Under the hood, the 3.5L Ti-VCT V6 produces approximately 288 horsepower and 254 lb-ft of torque, delivering smooth acceleration and confident highway passing power. Unlike smaller turbocharged engines, this naturally aspirated V6 provides a traditional, linear power delivery that many drivers appreciate. The intelligent AWD system automatically manages traction between the front and rear wheels as driving conditions change. Whether commuting during the winter, traveling on the highway, or navigating wet pavement, the Taurus provides a composed and reassuring driving experience. Exterior Styling & Practicality The White Gold exterior gives this Taurus an elegant appearance that complements its substantial full-size proportions. Exterior highlights include: Distinctive White Gold Metallic Finish Sport-Inspired Rear Spoiler Chrome Exterior Accents Signature Ford Front Grille Stylish Alloy Wheels Automatic Headlights Heated Exterior Mirrors, as equipped Large, Practical Trunk The rear spoiler adds a subtle sporty touch without taking away from the Taurus's refined appearance. Exceptional Service History – A Major Selling Point One of the most important things to consider when purchasing a pre-owned vehicle is how it was maintained. This Taurus benefits from an amazing service record, which is a major positive for a vehicle of this age. At only 69,630 miles, it offers a compelling combination of relatively low mileage, documented maintenance, and proven V6 performance. Although its rebuilt title reflects previous right-front-end damage, the absence of structural damage and airbag deployment is important information for prospective buyers. For someone who wants a comfortable, capable, well-maintained sedan at an attractive price, this Taurus deserves serious consideration. Additional Benefits CarChief Vehicle Locating System Included OBD Monitoring & Diagnostics Trades Welcome Financing Available Nationwide Shipping Doorstep Delivery Vehicle History Information Available We complete over half of our sales out of state, and our team can assist customers nationwide with purchasing and transportation. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This 2017 Ford Taurus SEL AWD carries a State Certified Rebuilt Title following previous right-front-end damage. There was no structural damage, and no airbags deployed. The vehicle was repaired, inspected, and state certified. Its previous title history is reflected in its value, allowing buyers to enjoy a spacious, well-equipped AWD sedan at a more accessible price point. With only 69,630 miles, an exceptional service history, a proven 3.5L V6, intelligent AWD, factory navigation, and Equipment Group 201A, this Taurus is an excellent choice for someone seeking dependable everyday transportation with full-size comfort and premium features.
