Dealer notes

Experience the modern evolution of driving with this captivating 2022 Polestar 2 Long Range Dual Motor. Combining striking Scandinavian design with cutting-edge zero-emission performance, this luxury fastback delivers a distinctive aesthetic that commands attention on every road. Designed for discerning buyers who demand sustainable sophistication without compromising on style or utility, this EV represents a harmonious blend of futuristic technology, premium craftsmanship, and everyday practicality. Powered by an advanced dual electric motor setup paired with all-wheel drive, the 2022 Polestar 2 offers instant acceleration and confidence-inspiring traction in all road conditions. Equipping the factory Performance package elevates its driving dynamics, turning every commute into an exhilarating journey with enhanced precision handling. Expanding its real-world capability, this model comes fitted with a 2" ball semi-retractable tow hitch, giving you true utility for adventuring without disrupting the vehicle's clean exterior profile when stowed away. Step inside the refined interior to discover an elevated cabin environment anchored by the desirable Plus package and supple Barley ventilated Nappa leather seating surfaces for exceptional comfort in any climate. Driving confidence is further maximized thanks to the comprehensive Pilot package, which equips the fastback with advanced safety and driver assistance technologies. Fully appointed with its most desirable packages and ready for the road ahead, this 2022 Polestar 2 Long Range Dual Motor is the ultimate electric vehicle choice for those seeking performance, luxury, and versatility.
