Dealer notes

Turn heads and elevate your daily commute with this sleek 2023 Tesla Model 3 RWD. Finished in a sophisticated gray exterior, this all-electric sedan seamlessly combines modern aesthetic appeal with industry-leading efficiency. As a highly desirable Carfax 1-Owner vehicle, it offers added peace of mind for buyers seeking a well-maintained electric vehicle with a clear history. Whether you are looking to step into the world of zero-emissions driving or upgrade your current ride, this Model 3 provides an unmatched blend of luxury, sustainability, and forward-thinking design.Driven by a refined rear-wheel-drive electric powertrain, this sedan delivers instant torque and smooth, linear acceleration without relying on a traditional combustion engine. The strategically placed battery pack provides a low center of gravity, resulting in sharp handling, impressive cornering stability, and a remarkably quiet cabin on the open highway. Optimized for both daily travel and long-distance efficiency, the electric motor setup ensures a responsive driving dynamic while completely eliminating gas station visits.Inside, the refined black interior showcases Tesla’s signature minimalist aesthetic, highlighted by a clean dashboard architecture and an intuitive central touchscreen display that manages navigation, climate control, and vehicle settings. Occupants benefit from supportive seating, a surprisingly spacious cabin layout, and an expansive all-glass roof that invites natural light into the vehicle. Combining single-owner provenance, striking gray styling, and advanced electric capability, this 2023 Tesla Model 3 RWD is ready to redefine your driving experience—contact us today to schedule your private viewing.
