Dealer notes

CARFAX 1-Owner. Dual sliding cargo doors. Commercial versatility. This well-maintained CARFAX 1-Owner 2018 Mercedes-Benz Metris Cargo Van combines practical cargo capacity with the maneuverability of a midsize commercial van. Finished in Arctic White over Black leatherette, this Standard Roof, 126-inch wheelbase Metris features dual sliding cargo doors, rear door windows, a lift-up rear tailgate, and additional cargo-area protection. Clean CARFAX with no accidents or damage reported. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The turbocharged 2.0L four-cylinder gasoline engine produces 208 horsepower and 258 lb-ft of torque, paired with a 7-speed automatic transmission and Rear-Wheel Drive. Its 126-inch wheelbase and Standard Roof configuration provide a practical alternative to larger commercial vans for urban deliveries, service calls, and equipment transportation. The cargo area is accessible through sliding doors on both sides, while the lift-up rear tailgate provides another loading point. Factory-installed waist-level composite paneling helps protect the interior cargo walls, and an LED cargo light strip improves visibility when accessing equipment or supplies. Inside, the Black leatherette cabin features adjustable front seats, air conditioning, power front windows, practical storage compartments, and straightforward controls. A rearview mirror and heated, electrically adjustable exterior mirrors add everyday convenience. Additional equipment includes a factory backup camera, remote window opening and closing, and rear-compartment air ducting. The Metris also features four-wheel disc brakes with ABS, electronic stability systems, and a trailer wiring harness. The Clean CARFAX documents 15 service history records, including oil and filter changes, brake repairs, tire replacements, cooling system maintenance, and transmission service. Notable recent work includes transmission fluid replacement, spark plugs, catalytic converter replacement, and a coolant flush in March 2026. Adam Auto Group also performed a multi-point inspection, checked all fluids, and completed a fresh oil and filter change in preparation for sale. For contractors, delivery services, and fleet operators seeking a midsize cargo van with dual-sided access and documented maintenance, this Metris offers a practical commercial configuration. Frequently Asked Questions Q: Does this Metris have sliding doors on both sides? A: Yes. It features driver-side and passenger-side sliding cargo doors for access from either side. Q: Does it have a rear tailgate or traditional cargo doors? A: This Metris has a factory lift-up rear tailgate with a window. Q: Is this Metris Front-Wheel Drive or Rear-Wheel Drive? A: It is equipped with Rear-Wheel Drive and a 7-speed automatic transmission.
