This 2009 Pontiac G8 GXP was purchased new by its current owner, has just over 20,000 miles, and has always been garaged and carefully driven. Finished in White Hot over the striking Onyx/Red Hot two-tone leather interior, this exceptionally well-presented GXP combines Corvette-derived V8 performance with genuine four-door practicality.The 2009 model year marked the end of Pontiac, and the G8 GXP remains a standout among modern American performance sedans. A custom exhaust system with quad tips adds an appropriate performance sound.Based on the Australian Holden Commodore platform, the GXP features FE3 sport-tuned independent suspension and Brembo four-wheel vented disc brakes with ABS, delivering the handling and stopping power expected of a serious sport sedan.The White Hot exterior is complemented by custom chrome wheels and a full-size matching spare. Inside, the desirable Onyx/Red Hot cabin features black leather seats with aggressive red center inserts and matching red door-panel accents. The interior is in excellent condition, and the car is equipped with power accessories throughout, including a power moonroof.The engine compartment is immaculate, and the undercarriage is very clean.The car comes with its owner\'s manual and original sales brochure, plus several valuable extras including a Valentine radar detector mounted on the windshield, Custom front license plate bracket that avoids drilling the front bumper, Complete new set of brake rotors and pads, One recently replaced tire-pressure monitoring sensor, plus three additional brand-new sensorsCall Jeff for more information or to schedule a viewing.Thanks for looking!
