Dealer notes

If you are searching for a proven, dependable compact pickup that seamlessly balances daily practicality with off-road confidence, this 2010 Ford Ranger 4WD 4dr SuperCab 126'' XLT is built to deliver. Finished in a striking Black exterior, this midsize workhorse showcases the classic styling and rugged stance that made the Ranger a legend in the truck world. Whether navigating daily commutes, tackling home improvement projects, or venturing off the beaten path, this 2010 Ford Ranger offers the ideal combination of manageable sizing and undeniable truck capability.Under the hood, this Ranger is powered by a robust 4.0L SOHC V6 engine, providing dependable horsepower and torque for pulling power, highway passing, and hauling gear. Complemented by a rugged Four Wheel Drive system, this pickup ensures exceptional traction and control across mud, snow, and rough trails. The 126-inch wheelbase and four-door SuperCab configuration add significant versatility, offering easy cabin access, extra secure storage space behind the front seats, and a functional bed ready for any job.Inside, the cabin features a Medium Dark Flint interior designed for durability and straightforward comfort during long days on the road or job site. This specific model is also equipped with California emissions compliance, ensuring it meets strict environmental standards while maintaining its impressive powertrain efficiency. Bold, capable, and enduringly popular, this 2010 Ford Ranger XLT 4WD SuperCab is ready to handle your daily driving and weekend adventures alike.
