Dealer notes

1931 Plymouth P4, four door sedan, with some nice options. Dual side mounts, heater, 2 wipers, full gauge package, crank out windshield, dome light, driving lights, parking lights, dual driving lights, dual tail lights, horn. It runs and drives nice. Still 6 volts. Very nice interior and a custom wood headliner. No rust, still has the original pin stripping, excellent glass all around. Tires are old but go down the road ok. Passengers side doors lock with the key. Rear mounted trunk. The dash and window surrounds are real nice. This model vehicle made a cross country trip and was documented long ago. I think it made it back to back. This is a fun car, not a show car but very authentic.$19,500 Price does not include $0 processing fee
