Click here to view your video from Tim Vanzile If you need unyielding commercial strength and versatility, this 2020 Ford Super Duty F-450 DRW XL 4WD Crew Cab is built to answer the call. Finished in a clean Oxford White exterior with a practical Medium Earth Gray interior, this heavy-duty chassis cab features a 179-inch wheelbase and a 60-inch cab-to-axle (CA) dimension, offering the ideal foundation for custom commercial upfits. Designed for serious work, its dual rear wheel (DRW) configuration and four-wheel-drive system provide maximum stability, capability, and traction when tough job sites demand it most. Under the hood, this formidable workhorse is powered by the potent 6.7L 4V OHV Power Stroke V8 Turbo Diesel B20 engine, delivering the high-torque output required for demanding commercial applications. Paired with a robust 4WD drivetrain and dual rear wheels, this 2020 Ford F-450 chassis cab is engineered to handle massive payloads and extreme utility needs with absolute confidence. Furthermore, the spacious Crew Cab configuration ensures your whole crew travels comfortably to every destination, while the 60-inch CA length gives you the flexibility needed to mount specialized service bodies or utility equipment. Tailored for critical operations, this specialized build comes equipped with essential prep options, including the Ambulance Prep Package, the Ambulance Prep Package with Special Emissions, and the Fire/Rescue Prep Package with EPA Special Emissions, making it a prime candidate for emergency services or municipal fleets. It also features the added enhancements of the XLT Value Package to elevate operational convenience and overall cabin functionality. Ready to tackle specialized missions and heavy commercial duties, this 2020 Ford Super Duty F-450 DRW XL is a high-capability asset built to perform when it matters most.
