With 4MATIC® all-wheel drive, this sedan provides confident traction and stability across varying road conditions. The city rating of 23 mpg and highway rating of 32 mpg balance power and economy effectively. Inside, the cabin presents a welcoming environment with MB-Tex upholstery and genuine wood accents throughout the dashboard, door panels, and console. The power front seats feature driver memory settings, allowing you to save your preferred seating position. Dual zone automatic climate control ensures passenger comfort, while the COMAND® audio system with AM/FM radio and CD player keeps you entertained on every journey. Safety features include dual front impact airbags, side impact airbags, knee airbags, and an overhead airbag system. The anti-whiplash front head restraints and electronic stability control work together to protect occupants. A rear parking camera provides visibility when reversing, and the low tire pressure warning system alerts you to maintenance needs. The exterior presents a striking blue finish complemented by body-color bumpers and 17-inch split Y-spoke alloy wheels. Heated power door mirrors with turn signal indicators enhance functionality, while the power moonroof adds a touch of open-air appeal. Rain sensing wipers adjust automatically to weather conditions, and fully automatic headlights with delay-off functionality provide convenience and safety. The split folding rear seat offers versatility for cargo or passengers, while the rear seat center armrest adds comfort for back-seat travelers. Additional conveniences include the power steering, speed control, and steering wheel-mounted audio controls for intuitive operation. The HomeLink garage door transmitter integrates smart home compatibility. We invite you to view this C 300 4MATIC® in our showroom. This well-maintained sedan combines practical luxury with reliable performance, making it an excellent choice for discerning drivers seeking a quality vehicle.
