Dealer notes

38x15.50x15 Parnelli Jones Dirt Grip PJ tires and 15x14 Weld wheels. These photos were taken just before removal. No leaks or issues, and the wheels are clean and damage-free with a 6x5.5 bolt pattern and genuine Weld center caps front and rear. The tires are estimated at 95% tread and have been indoor kept, but obviously have older date codes since they were discontinued long ago. No weather cracking or other issues present. This is an absolutely amazing, clean, bolt-on-ready combination, and we will not separate them at this time. Price does not include $0 processing fee
