A Kraftwerks centrifugal supercharger supplies boost to the flat-four. The STI short-throw shifter shortens the throw between gears, and a mechanical limited-slip differential helps put power down through the rear wheels. More than $14,000 has been invested in upgrades. Along with the supercharger, the build includes Varro Forged VD01 wheels wrapped in fresh Michelin Pilot Sport All Season 4 tires, plus drilled and slotted brake rotors. Inside, heated front seats and navigation add everyday convenience. A JL Audio subwoofer in a Stealthbox enclosure adds bass in a compact installation. For the enthusiast who wants a compact coupe with three pedals and forced induction, this BRZ brings both together in a rear-wheel-drive package. VIN: JF1ZCAC15L9702314. Current mileage: 31,673.
