Dealer notes

Our 2011 Ford F-150 Lariat SuperCab 4WD can be classified as one of the Ford Tough truck members. Power comes from the 3.5 Liter V6 and is matched with an Automatic transmission. Our Four Wheel Drive SuperCab has a full second row of seating, which lets you transport family or workers depending on what's on the calendar. Check out the great audio system, stunning wood grain trim, running boards, chrome touches all around the exterior, luxurious leather seating, multifunction leather-wrapped steering wheel, keypad entry, and so much more! Safety and security include huge 4-wheel disc brakes, advanced roll stability, front, side and canopy airbags and the knowledge that you are riding in a truck that weighs three tons with occupants. This truck is big and offers a true sense of safety. There's a reason the Ford F-150 is America's best-selling truck truck, and our awesome Lariat is yet another fine example of Ford ingenuity.
