Dealer notes

If you are searching for an unbeatable blend of midsize truck versatility and proven durability, this 2012 Toyota Tacoma 2WD Double Cab V6 AT PreRunner is built to impress. Finished in a sophisticated Magnetic Gray Metallic exterior, this iconic pickup stands out with its assertive PreRunner stance, combining off-road inspiration with practical rear-wheel-drive efficiency. The spacious Double Cab layout provides comfortable seating for family, crew, or gear, making it an exceptional choice for both daily commuting and weekend utility.Under the hood, this Tacoma is driven by a powerful 4.0L 6-cylinder engine paired with a smooth automatic transmission, delivering the robust torque and power needed for towing, hauling, and confident highway merging. The PreRunner design offers the elevated ride height and sturdy chassis feel of a 4WD model, giving you maximum ground clearance and command of the road without the extra weight. Whether you are loading up the truck bed with tools or preparing for a road trip, this midsize truck delivers dependable performance across any route.Inside, the cabin is trimmed in a refined Graphite color scheme built to withstand daily use while providing a comfortable driving environment. This vehicle comes equipped with the factory Convenience Package for added ease on every trip, along with daytime running lights for enhanced safety and visibility. Complete with 50-state emissions compliance, this well-maintained 2012 Toyota Tacoma PreRunner offers unmatched value, legendary reliability, and timeless style—schedule your test drive today to experience it firsthand!
