Dealer notes

Experience the perfect synthesis of premium luxury and dependable capability with this 2011 Ford F-150 2WD SuperCrew 145" Platinum. Dressed in a sophisticated White Platinum Metallic Tri-Coat exterior and complemented by an inviting Steel interior, this top-tier half-ton pickup commands attention wherever it goes. The spacious SuperCrew cab configuration provides generous legroom and comfort for driver and passengers alike, making it an ideal choice for buyers who refuse to compromise on refinement while enjoying the legendary utility of an F-150.Under the hood, this truck is powered by a potent 3.5L 6-cylinder engine that delivers smooth, confident performance for daily commuting, long highway cruises, and demanding work tasks. The 2WD powertrain is paired with a 3.55 axle ratio featuring a limited-slip differential, offering optimal power distribution and enhanced traction when accelerating with heavy loads. Complete with a California emissions system and a convenient tailgate step for easy cargo bed access, this truck is built to handle your hauling needs with maximum efficiency and ease.Inside the cabin, advanced technology and premium amenities elevate every drive. Finding your way is effortless thanks to the factory navigation system with an in-dash screen, while the power moonroof lets in natural light and fresh air at the press of a button. Blending executive-level interior comfort with proven truck capability, this 2011 Ford F-150 Platinum represents a complete package for the discerning truck enthusiast. Contact us today to schedule your test drive and experience this outstanding vehicle in person.
