Dealer notes

1999 GMC Suburban Lowered SUV. This rust-free, solid OBS Suburban has the perfect stance, lowered properly with an airbag-assisted rear suspension, so practicality and towing capability are still retained. It features ice-cold air conditioning, a clean interior with a third-row seat, an aftermarket stereo, dark tinted windows, a Vortec V8 engine, and 20-inch American Racing Torque Thrust-style alloy wheels. Freshly serviced and inspected, this Suburban still retains many of its original features, including the factory floor mat in the cargo area, barn rear doors, and a rear tow hitch assembly. While the truck is 27 years old and does have some faded paint on the roof, the remainder of the body is straight, glossy, and exceptionally well preserved. The undercarriage is one of the cleanest we\'ve seen in a long time, especially at this price point. Overall, this Suburban checks all the boxes and is a great example of a classic OBS SUV that\'s ready to be enjoyed. Price does not include $0 processing fee
