Dealer notes

Built to handle demanding jobs with unyielding dependability, this 2014 Ram 2500 4WD Crew Cab 149'' Tradesman delivers the legendary heavy-duty capability drivers demand. Finished in a clean Bright White Clearcoat, this serious workhorse combines rugged durability with spacious crew cab functionality. Whether you need a dependable partner for the job site or a powerful platform for heavy hauling, this Ram 2500 Tradesman is engineered to tackle tough tasks with complete confidence. At the heart of this heavy-duty pickup is a robust 5.7L 8-cylinder engine paired with a capable Four Wheel Drive system, providing impressive power and traction across challenging terrains and low-grip conditions. Utility and performance are further enhanced by a 4.10 rear axle ratio and an anti-spin differential rear axle, delivering optimum torque transfer and pulling stability when transporting heavy payloads or navigating demanding terrain. Inside, the practical Diesel Gray/Black interior offers a functional, easy-to-clean cabin tailored for hardworking daily routines, complete with a single disc remote CD player for media access on the road. Built with serious towing in mind, this truck comes equipped with an integrated trailer brake control and power black trailer tow mirrors to maximize safety and rearward visibility while hauling. Combining proven durability, functional equipment, and uncompromising strength, this 2014 Ram 2500 is ready to get straight to work.
