The finish is accented by a brand-new tan convertible top and all-new rubber gaskets and weather stripping. A standout custom touch is the integration of Kindig-it Design flush-mount door handles, providing a smooth, "shaved" look while maintaining sophisticated functionality. The exterior lighting is fully sorted, including a replaced center rear brake light and brand-new headlight motors.Interior & Comfort:The cabin is finished in tan leather, offering a striking contrast to the green exterior. The suspension has been modernized with adjustable coil-overs, allowing the driver to fine-tune ride height and stiffness. Performance is enhanced by a custom exhaust system featuring Borla mufflers for a deep, resonant V8 growl.Recent mechanical replacements and upgrades include:Drivetrain: Rebuilt rear end (stock gear ratio) and new OEM wheel hubs.Fuel System: Brand-new gas tank, sending unit, and fuel pump.Reliability: New starter, battery, driver-side hinges, and fresh tires.
