Dealer notes

1985 Nissan King Cab 720 4-Wheel Drive. Extended-cab Nissan/Datsun 4x4 pickup truck. This truck sits on brand-new 32-inch mud-terrain tires with alloy wheels and Squarebody 4x4 center caps. It is also equipped with fog lights, push bumper, Baja rack, Yakuta roll bar, bed protector, spray-in bedliner, and even a bed net that some of you are sure to remember! If this thing doesn’t take you back in time, nothing will. We originally purchased this truck strictly as a display unit for our showroom and our 50th anniversary party, but we know somebody somewhere probably remembers this exact type of truck from high school or back in the day. It features a CB radio, two-tone custom seat upholstery, leather, aftermarket stereo system, five-speed manual transmission, and some aftermarket gauge upgrades. This truck is not a showpiece, but it is a cool unit for darn sure, and somebody at this price point should be able to truly appreciate it and the memories it is sure to bring back! Price does not include $0 processing fee
