Dealer notes

2014 Mercedes-Benz ML350 BlueTEC 4MATIC — One-Owner, Scottsdale Car Steel Grey Metallic over Oyster Nappa Leather | 151,132 Miles | 4MATIC AWD Diesel If you've been waiting for a ML350 BlueTEC that actually has the service record to back up the miles, this is it. This one-owner Mercedes has spent its entire life right here in Arizona — titled in Scottsdale back in 2013 and serviced almost exclusively at Mercedes-Benz of North Scottsdale and Scottsdale European ever since. No rust belt, no road salt, no mystery. Just a dry-climate SUV that's been maintained the way Mercedes intended. The BlueTEC diesel V6 is the reason serious buyers seek these out: strong low-end torque, a genuine 28 mpg on the highway, and a reputation for comfortably running well past 300,000 miles when it's cared for — and Carfax shows 18 documented service visits doing exactly that, right down to an oil and filter change earlier this year. This owner also averaged under 11,800 miles a year, well below the 15,000-mile industry average, and Carfax confirms no odometer issues, no open recalls, and a clean title with zero brands (no salvage, flood, or lemon history). It's also a genuinely loaded example. The factory build sheet shows nearly \$17,200 in options, including: Premium 1 Package Driver Assistance Package Parking Assist Package Lighting Package AIRMATIC Air Suspension Package Harman/Kardon surround sound Heated & ventilated front seats Heated & cooled cupholders Keyless Go Burl walnut trim with wood/leather multifunction steering wheel Rear side airbags Oyster Nappa leather upholstery VIN: 4JGDA2EB4EA310783 | 7-Speed Automatic | Full-Time 4MATIC AWD A one-owner, Arizona-only, dealer-maintained diesel 4MATIC with a documented history this clean is a rare find at any price.
