Dealer notes

Experience the perfect synergy of full-size capability and forward-thinking efficiency with this remarkable 2013 GMC Sierra 1500 Hybrid. Dressed in a commanding Steel Gray Metallic exterior, this 4WD Crew Cab 143.5" 3HB stands out as a highly versatile and eco-conscious choice in the pre-owned truck market. For buyers seeking a robust pickup that does not compromise on cabin space or road presence, this Sierra Hybrid offers the ideal solution, blending GMC's legendary truck heritage with innovative hybrid technology. Under the hood, this 2013 GMC Sierra 1500 Hybrid is powered by an advanced 6.0L 8-cylinder hybrid engine, delivering dependable V8 performance alongside optimized fuel efficiency. The robust Four Wheel Drive (4WD) drivetrain ensures confident traction and capability across diverse terrains and varying weather conditions. Furthermore, this truck is built to meet California state emissions requirements, ensuring a cleaner drive while still providing the strength and utility required for your daily tasks and weekend adventures. Inside the spacious Crew Cab, the interior environment is tailored for comfort, featuring premium Ebony leather-appointed front seats that elevate the driving experience. The cabin is further enhanced by a power sunroof that brings natural light into the vehicle, alongside an intuitive audio system with navigation to keep you seamlessly on course. Complete with the customer dialogue network for integrated communication, this 2013 GMC Sierra 1500 Hybrid represents a rare find for truck buyers demanding utility, comfort, and advanced hybrid engineering in one complete package.
