Dealer notes

2022 Tesla Model Y Long Range – 52,586 Miles Finished in Pearl White Multi-Coat over black synthetic upholstery with wood dashboard trim, this Model Y Long Range combines dual-motor all-wheel drive, a spacious five-seat cabin and the included Acceleration Boost upgrade. Its electric powertrain and versatile rear cargo area make it a practical choice for daily driving and longer trips. Power comes from front and rear electric motors through an automatic electric drivetrain. The vehicle's software screen confirms the Long Range Dual Motor configuration and lists Acceleration Boost as an included package. The photographed software screen also identifies Full Self-Driving Computer 3 hardware. Full Self-Driving Capability is shown with a November 23, 2026 expiration date, and Premium Connectivity with a November 25, 2026 expiration date. These dated services are shown separately from the included Acceleration Boost package. The cabin features heated power front seats, heated rear seats, a heated steering wheel and driver-profile memory. A central touchscreen, navigation, Bluetooth audio, wireless smartphone charging and a glass roof complement the clean interior layout. Folding rear seats and a rear liftgate provide flexible access for passengers and cargo. For a buyer seeking an electric crossover with all-wheel drive and an included performance upgrade, this Model Y combines its Long Range configuration with useful passenger and cargo space. VIN: 7SAYGDEE6NF574057. Current mileage: 52,586. Contact Auto 206 Inc. for availability, financing, transportation, trade-in assistance or to schedule a test drive. Driven by Trust. Focused on You.
