Rebuilt Title - Financing terms and final purchase price are subject to lender approval. Maximize your business efficiency and capability with the impressive 2023 Ram ProMaster Cargo Van 3500 High Roof 159" WB EXT. Finished in a professional Bright White Clearcoat exterior, this heavy-duty commercial van is engineered to take on demanding daily operations while providing the maximum cargo volume of an extended body and high roof configuration. Equipped with the factory Crew Van Package, it offers the ideal solution for commercial fleets and contractors by balancing comfortable seating for your work crew with abundant, usable rear cargo space. Under the hood, this 2023 Ram ProMaster 3500 is powered by a dependable 3.6L 6-cylinder engine that delivers smooth power and responsive efficiency for heavy hauling demands. The 159-inch extended wheelbase provides superior stability and expanded floor length, while the high roof design allows workers to stand upright inside the cargo area for seamless loading and upfitting. Purpose-built for maximum utility, its powertrain and chassis dynamics ensure confident load handling and maneuverability whether navigating congested job sites or long highway routes. Inside the cabin, the sleek Black interior is upgraded with premium black leather-trimmed bucket seats that deliver exceptional comfort for long days on the road. This van comes packed with modern technology and driver support suites, including the Driver Convenience Group, the Premium Convenience Group, and the comprehensive Advance Safety Group (B) to help keep your team secure and connected. Combining serious commercial capability with elevated interior features, this 2023 Ram ProMaster Cargo Van 3500 High Roof 159" WB EXT is the ultimate drive-ready asset to elevate your business.
