Dealer notes

With exceptional space, comfort, and power, our 2015 Cadillac Escalade ESV Platinum 4WD in striking Black has a dramatic presence. Powered by a 6.2 Liter V8 offering 420hp matched to an 8 Speed Automatic transmission. This Four Wheel Drive SUV provides nearly 20mpg and a smooth, capable ride thanks partly to an adaptive and auto-leveling suspension and a locking rear differential. The strong stance of this Escalade is accentuated by 22-inch chrome wheels, a sunroof, and a distinctive grille that sets it apart in a crowd. You'll also enjoy the convenience of running boards, and a power liftgate. With plenty of space for seven passengers, the inside of our Platinum is equally impressive and upscale. A heated steering wheel, sumptuous leather heated/cooled front seats, and heated second-row seats will pamper you. Rear passengers will be thrilled with a dual-screen entertainment system and easy-to-use touchscreen navigation that will guide you. At the same time, you stay safely connected via Bluetoothr or while listening to your favorite songs on a premium 10-speaker Bose surround-sound audio system with two sets of wireless headphones. Experience safety and superiority on the road in our Cadillac, which features a rearview camera, OnStar, ABS, stability/ traction control, and many airbags.
