Dealer notes

CLEAN TITLE WITH TOTAL LOSS HISTORY – 2020 Cadillac XT5 Premium Luxury FWD – 46,339 Miles – ONE OWNER – Excellent Service History – Crystal White Tricoat This 2020 Cadillac XT5 Premium Luxury FWD offers the upscale comfort, refined styling, and smooth V6 performance that make the XT5 such a desirable luxury crossover. Finished in beautiful Crystal White Tricoat over a sophisticated Cirrus interior, this XT5 has only 46,320 miles, a one-owner history, and a very good maintenance record. Power comes from Cadillac's 3.6L V6, providing smooth and responsive acceleration while maintaining the quiet, composed driving experience expected from a premium Cadillac. With embedded navigation, premium interior appointments, and practical protection accessories, this XT5 is well equipped for both everyday driving and longer trips. Vehicle History & Condition This XT5 has a clean title with previous total loss history following right-side damage. 46,320 Miles ONE OWNER Right-Side Damage History Clean Title Very Good Service Record Michigan & Florida History An interesting advantage of this vehicle's history is that the original owner maintained residences in both Washington, Michigan and Florida, meaning the vehicle spent time outside Michigan's winter environment. The undercarriage presents well for its age. The previous damage was repaired, and the vehicle retains its clean-title status. The total loss history is being fully disclosed for transparency. Why This XT5 Stands Out This Cadillac's one-owner history and strong maintenance record are major highlights. With only 46,320 miles, it has also accumulated relatively low mileage for a 2020 model. The Premium Luxury trim adds an upscale level of comfort and refinement, while the Crystal White Tricoat and Cirrus color combination gives this XT5 a particularly elegant appearance. Its previous total loss history also creates an opportunity to purchase a well-maintained, low-mileage Cadillac at a price that reflects that history. Performance Cadillac's 3.6L V6 provides strong naturally aspirated performance with smooth power delivery for highway merging and passing. The front-wheel-drive configuration keeps the XT5 comfortable and composed for everyday use, while automatic stop/start technology is designed to reduce unnecessary fuel consumption while stopped in appropriate driving conditions.
