Dealer notes

Command attention on and off the road with this stunning 2023 Toyota Tundra 4WD 1794 Edition CrewMax. Draped in a striking Midnight Black Metallic exterior and paired with an opulent Saddle Tan interior, this full-size pickup seamlessly blends rugged capability with sophisticated, western-inspired luxury. Designed for drivers who demand premium comfort without sacrificing workhorse toughness, the 1794 Edition offers a distinctive aesthetic and an unforgettable presence wherever your journey leads.Under the hood, a responsive 3.4L 6-cylinder twin-turbo engine delivers robust performance and muscle, providing the confidence required for heavy-duty hauling and effortless merging. Coupled with an advanced Four-Wheel Drive system, this Tundra CrewMax ensures superior traction, stability, and control across challenging terrains and in adverse weather conditions. The practical 5.5-foot bed offers ample room for gear and cargo, while the factory-provided ball mount ensures this capable truck is immediately equipped to tackle your towing needs.Inside, the spacious CrewMax cabin treats passengers to exceptional craftsmanship, spacious seating, and high-end materials built for long-distance driving comfort. Practical features elevate this truck's utility and security even further, including a protective bed mat to shield the cargo area from scratch and dent damage, along with custom wheel locks for added safety and peace of mind. Experience the ideal synthesis of power, protection, and prestige—test drive this 2023 Toyota Tundra 1794 Edition today.
