Dealer notes

Step into the future of driving with the sophisticated 2021 Volkswagen ID.4 Pro S RWD. Finished in a sleek Moonstone Gray exterior, this all-electric SUV seamlessly combines modern sustainability with bold design and versatile functionality. Equipped with the distinctive Gradient Package, this ID.4 showcases an elevated aesthetic that commands attention on city streets and highways alike, making it the perfect choice for drivers ready to transition to a premium electric vehicle experience. At the heart of this electric crossover is an efficient electric motor delivering instant torque through a balanced rear-wheel drive setup. The driving dynamics of the 2021 Volkswagen ID.4 offer a quiet, composed ride alongside agile handling that makes navigating tight turns and highway cruises effortless. Enhancing its practical utility, this vehicle comes fitted with a set of two base carrier bars roof racks, allowing you to easily mount additional cargo or sports equipment for your extended adventures. Inside, you will find a thoughtfully designed cabin dressed in a plush Galaxy Black interior that provides exceptional comfort and high-tech convenience for both driver and passengers. To maintain the vehicle’s pristine condition against daily wear, this model includes the ID.4 Protection Package for added durability and long-term value. Blending eco-friendly performance, utility, and modern refinement, this 2021 Volkswagen ID.4 Pro S RWD is ready for its next owner—schedule your test drive today to experience all-electric driving at its finest.
