### Dealer notes

Command the road in ultimate style and strength with this stunning 2020 GMC Sierra 3500HD 4WD Crew Cab Denali. Finished in a head-turning Red Quartz Tintcoat exterior, this heavy-duty dual rear wheel (DRW) pickup perfectly bridges the gap between commercial-grade capability and high-end luxury. Designed for buyers who demand maximum strength without compromising on sophistication, this 172" wheelbase Crew Cab truck stands out as the apex of premium truck design.At the heart of this heavy-duty machine is the legendary 6.6L Duramax Turbo-Diesel V8 engine, which is B20-diesel compatible and engineered to effortlessly handle your toughest towing and payload demands. Paired with a robust Four-Wheel Drive system and the added stability of a dual rear wheel setup, this truck offers unmatched traction and control under heavy loads. Equipped with the factory Gooseneck / 5th Wheel Package, this Sierra 3500HD is fully prepared to haul large RVs, horse trailers, or heavy equipment straight off the lot.Inside, the cabin features a sophisticated Jet Black interior that serves as a quiet retreat from the jobsite or highway. Upgraded with the desirable Denali Ultimate Package and Technology Package, this truck delivers top-tier innovation, driver convenience, and modern connectivity. The inclusion of a power sunroof floods the cabin with natural light, elevating every drive into a first-class experience. Don't miss your chance to command the road in this exceptionally capable 2020 GMC Sierra 3500HD Denali—contact us today to schedule your test drive.
