Dealer notes

1987 K20 Squarebody Suburban Lifted 4x4 Silverado. This unit is lifted with approximately 18 inches of suspension lift, riding on a brand-new set of 44-inch Interco Boggies and 15x18 one-off custom-built 8-lug wheels. It features FOX reservoir shocks with a matching dual steering stabilizer system, coated braided brake hoses, and an upgraded heavy-duty DOR track bar with a matched crossover steering system that helps this truck drive remarkably well for the beast that it is. The paint on this unit was completed about a year ago, so it still has an extremely fresh finish, along with stainless fender well trim and body side molding. It also has upgraded power retractable folding steps and an upgraded OBS Chevy seat system. This truck really has an amazing stance, and the two-tone blue over white gives it the ultimate classic look. It also retains the classic pre-1989 grille that many enthusiasts prefer, featuring the iconic over-under headlight system that was the most popular and recognizable design. Overall, this is an incredible truck for cruising the beach or simply showing off. Price does not include \$0 processing fee
