Interior colour: —
Body type: Sedan
Fuel economy: — city / — highway MPG
Dealer: Supreme Motors, Costa Mesa, CA 92627
Dealer phone: 949-288-6898

Dealer notes

Supreme Motors is pleased to offer this 2023 Maserati Ghibli Modena, finished in black with just 15,461 miles reported to CARFAX. Combining sculpted Italian styling, spirited performance, and four-door practicality, this Ghibli offers a distinctive alternative to the familiar luxury sports sedan. The Modena designation brings a meaningful increase in performance over the entry-level Ghibli GT. Its 3.0-liter twin-turbocharged V6 produces an impressive 424 horsepower and 428 lb-ft of torque, delivered through an eight-speed automatic transmission to the rear wheels. Developed by Maserati in collaboration with Ferrari, this engine gives the Ghibli the character and pedigree that make an Italian sports sedan so appealing. Rear-wheel drive adds to the enthusiast appeal, providing a traditional sports-sedan layout that rewards the driver while remaining comfortable for everyday use. The Ghibli's sweeping profile, signature Trident grille, and unmistakable Maserati identity give it a presence few sedans can match. It balances the elegance of a luxury automobile with the personality of a performance car—equally suited to a coastal weekend drive, a special evening out, or the daily commute. A Distinctive, Late-Production Maserati With Ghibli production ending in early 2024, this 2023 Modena represents one of the later examples of Maserati's distinctive sports sedan. Its appeal lies in the combination of Italian design, the higher-output V6, and rear-wheel drive. For buyers who value individuality, it offers the opportunity to own something far less commonplace than the usual luxury-sedan choices. CARFAX Highlights The supplied CARFAX reports no accidents or damage, no structural damage or airbag deployment, no reported title brands, and no indication of an odometer rollback. It lists two owners, with the later history specifically noting that a dealer took title while the vehicle was in inventory. The first owner's reported use averaged approximately 7,038 miles per year. For the buyer seeking compelling performance, distinctive styling, and the unmistakable appeal of the Maserati name, this low-mileage Ghibli Modena deserves a closer look.
