Dealer notes

The 2012 GMC Yukon AWD 4dr 1500 Denali stands out with its commanding presence and sophisticated Steel Gray Metallic exterior, sure to turn heads on any journey. Powered by an impressive 6.2L 8-cylinder engine, this SUV delivers robust performance while offering the versatility of an all-wheel-drive system for superior handling in various driving conditions. Inside, the luxurious cabin is beautifully appointed with Ebony perforated nuance leather seats, providing both comfort and style for all passengers. State-of-the-art technology is at your fingertips with an advanced audio system that includes navigation, ensuring you stay connected and on course wherever your travels may lead. Practical and thoughtfully designed, the Yukon comes equipped with features such as power-retractable assist steps and an integrated trailer brake controller, enhancing both convenience and towing capabilities. Additionally, this vehicle meets California's emissions requirements, reflecting GMC's commitment to environmentally conscious performance.
