Dealer notes

Ford F-250 Ranger XLT 6.7 Power Stroke Diesel Cab-Swap 4x4! Talk about the ultimate Dentside patina truck look, paired with all the dependability, performance, and luxury of a modern Super Duty! This truck sits on a 6.7 Power Stroke turbo diesel frame and chassis, equipped with a small lift kit, Fox shocks, and 35-inch BFGoodrich Mud-Terrain tires mounted on Method alloy wheels. The body is completely rust-free, featuring a clear-coated patina finish that preserves the character and appearance of the truck while keeping the body solid as a rock. Additional features include a fresh bedliner and a 6.7 Power Stroke turbo diesel under the hood, paired with a fully fitted, modern Super Duty leather interior and dashboard. All gauges function properly, and the heat and air conditioning work as they should. This is absolutely the ultimate combination of form and function, giving you the classic appearance of a vintage Ford while riding, driving, and performing like a modern, late-model truck. If this one doesn\'t quite suit your fancy, we also have its twin brother featuring a Cummins diesel and Dodge chassis, also finished in patina! Price does not include $0 processing fee
