Dealer notes

Redefine what an all-electric supertruck can be with the commanding 2024 GMC HUMMER EV Pickup e4WD Crew Cab 3X. Drenched in a striking Void Black exterior, this revolutionary pickup combines legendary capability with cutting-edge electric vehicle innovation. Designed to make a bold statement on any terrain, the HUMMER EV Pickup delivers an unmistakable road presence paired with the space and luxury of a modern crew cab configuration. Whether navigating city streets or heading off the beaten path, this vehicle represents the pinnacle of modern electric utility and design.Engineered for extraordinary performance, the 2024 GMC HUMMER EV Pickup features an advanced e4WD Four Wheel Drive system that delivers instant torque and precise control. Powered entirely by its advanced electric drive system, this pickup offers instant responsiveness without the need for a traditional gas engine. To ensure seamless ownership and charging flexibility wherever your adventures take you, this model includes a dual level charge cord with dual-mode portable functionality, allowing for convenient charging options both at home and on the road.Inside the cabin, the sophisticated Lunar Shadow interior—styled in an elegant Jet Black and Taupe combination—offers a refined and high-tech environment. Outfitted with the 3X Preferred Equipment Group, the interior prioritizes premium comfort and state-of-the-art technology, anchored by a massive 13.4" diagonal premium GMC Infotainment System with Google built-in apps for intuitive navigation and voice assistance. Complete with a front license plate kit, this 2024 GMC HUMMER EV Pickup e4WD Crew Cab 3X is fully equipped to deliver an unmatched driving experience for the forward-thinking truck enthusiast.
