Dealer notes

2023 Audi RS3 – Glacier White Metallic | Unitronic Tuned | RS Technology Package | Bang & Olufsen Unique Motors is pleased to offer this 2023 Audi RS3, finished in Glacier White Metallic over a Black interior with distinctive Micrommata Green accents. This RS3 combines Audi's legendary five-cylinder performance with premium factory options and a carefully selected collection of aftermarket performance upgrades. Powered by Audi's 2.5L turbocharged five-cylinder engine producing 401 horsepower and 369 lb-ft of torque in factory configuration, paired with a 7-speed S tronic dual-clutch transmission and quattro all-wheel drive. This example has been further enhanced with Unitronic ECU tuning, upgraded intake components, an aftermarket downpipe, and improved cooling for additional performance potential. Key Factory Options & Features RS Technology Package – Premium technology and convenience features Bang & Olufsen 3D Premium Sound System – High-quality surround sound audio RS Sport Seats – Black interior with distinctive Micrommata Green accents 19-Inch 5-Y-Spoke Design Wheels – Matte Black finish Icon Adaptive LED Headlights – Advanced LED lighting technology Audi Virtual Cockpit Plus – Digital performance instrument display RS Torque Splitter – Advanced rear torque distribution for enhanced handling RS Sport Exhaust System – Signature five-cylinder exhaust note Red Brake Calipers – Performance-inspired exterior accents Aftermarket Performance Upgrades Unitronic Stage 1 & Stage 2 ECU Tunes – Performance tuning available on a separate ECU, with the original factory ECU retained in its untuned configuration ECS Front-Mount Intercooler – Upgraded charge-air cooling for improved thermal efficiency ECS Billet Dogbone Mount – Upgraded drivetrain mount designed to reduce unwanted drivetrain movement Palenon Performance Downpipe – High-flow aftermarket downpipe APR 2.5 TFSI EVO Turbocharger Intake & Inlet System – Upgraded intake and turbo inlet for improved airflow JB4 Bluetooth Monitoring System – Wireless monitoring of engine and performance data Performance Specifications Engine: 2.5L Turbocharged Inline-5 Factory Horsepower: 401 HP Factory Torque: 369 lb-ft Transmission: 7-Speed S tronic Dual-Clutch Drivetrain: Quattro All-Wheel Drive Factory 0–60 MPH: Approximately 3.6 Seconds Exterior: Glacier White Metallic Interior: Black / Micrommata Green This 2023 Audi RS3 stands out with its desirable color combination, premium factory equipment, and thoughtfully selected performance modifications. The Unitronic tuning, APR intake and inlet system, upgraded intercooler, and performance downpipe provide a strong foundation for enthusiasts seeking more from Audi's iconic 2.5L five-cylinder platform. A particularly valuable feature is the included original, untuned factory ECU, allowing the next owner to retain the factory engine-management configuration while also having access to the separately tuned ECU. Combining distinctive RS styling, advanced quattro performance, and an impressive list of upgrades, this RS3 offers an exciting opportunity for enthusiasts looking for a modified Audi Sport sedan.
