Dealer notes

This striking 1940 Ford Deluxe Tudor street rod is finished in dark red with hand-done pinstriping, and its black vinyl and gray tufted cloth interior complements the exterior. The all-steel body has a lustrous paint finish with only minor imperfections visible up close, and the chrome and stainless trim sparkle beautifully. It rides on 15-inch painted steel wheels with Ford Deluxe dog-dish hubcaps, trim rings, and wide whitewalls. Power comes from a SBC 327 V8 with a Holley carburetor, Edelbrock intake, tubular headers, a serpentine belt setup, p. steering, an aluminum radiator, and an electric fan. It's paired with a TH350 automatic that shifts effortlessly, and power front disc and rear drum brakes provide confident stopping. This car is as solid as it looks, offering the perfect blend of vintage design and modern drivability. Inside, the cabin has a split-back front bench seat, clean door panels, black carpet, and sound-deadening for a quieter ride. Vintage Air keeps you cool, and a red leather-wrapped steering wheel and tilt column add modern convenience, while original-style gauges and a two-tone dash keep the nostalgic look. With its classic curves, reliable drivetrain, and polished presentation, this '40 Ford isn't just a showpiece. It's built to be driven and admired.
