Dealer notes

This 2026 Jeep Wrangler 4-Door Sahara 4WD (VIN: 1C4PJXEN1TW253659) offers a refined blend of modern technology, daily-driving comfort, and legendary off-road engineering. Standard power comes from a responsive 2.0-liter turbocharged inline four-cylinder engine generating 270 horsepower and 295 lb-ft of torque, seamlessly paired with a smooth TorqueFlite eight-speed automatic transmission and the Command-Trac part-time four-wheel-drive system. On the exterior, the Sahara stands out with body-color fender flares, a matching body-color grille with iconic design accents, 18-inch aluminum wheels wrapped in all-season tires, standard side steps, full LED front reflector headlights, LED fog lamps, and heavy-duty front and rear skid plates designed for trail protection. Inside the spacious five-passenger cabin, convenience and comfort take center stage with heated front seats, a heated leather-wrapped steering wheel with integrated audio controls, dual-zone automatic climate control, and proximity keyless entry with remote start. The tech-forward interior is anchored by the centerpiece 12.3-inch Uconnect 5 touchscreen display featuring wireless Apple CarPlay and Android Auto integration, satellite radio, an eight-speaker audio system, multiple USB charging ports, and a digital driver information center. Safety and driver assistance equipment is comprehensive, equipped with adaptive cruise control with stop-and-go functionality, forward collision warning with automatic emergency braking, ParkView rear back-up camera, electronic stability control, hill start assist, advanced side-curtain airbags, and power heated side mirrors. With a tow rating of up to 3,500 pounds and classic open-air freedom capabilities, this Sahara is fully equipped for weekday commutes and weekend getaways alike.
