Dealer notes

This White 2019 Ford F-150 is the kind of used truck thats ready to work hard all week and still look good doing it. With its V6 power and classic pickup attitude, its built for real-world hauling, weekend projects, and the occasional lets go somewhere detourhelped along by a confidence-inspiring 4-wheel disc brake setup with ABS, brake assist, and hill hold control.On the road, the ride feels composed thanks to its truck-tough suspension and stabilizer bar, while speed-sensing electric power steering keeps it easy to place whether youre in a parking lot or backing up to a trailer. Speaking of towing, it comes equipped with towing gear and trailer sway control to help keep everything calm and steady when the load gets serious. And with a 26-gallon fuel tank, its ready for longer stretches between fill-ups.Practical touches like the regular box with easy tailgate access, cargo lighting (including cab-mounted lights), and multiple 12V power outlets make daily tasks simpler. Up front, youll find handy cupholders, a compass, outside temp display, and dual front monitors.Safety tech includes Ford Co-Pilot360 with Pre-Collision Assist and Automatic Emergency Braking, plus a full suite of airbags and tire-pressure monitoring.
