Dealer notes

This 2019 BMW X6 xDrive35i represents a sophisticated choice for drivers seeking a luxury performance vehicle that balances capability with refined comfort. - 3.0L I6 Turbocharged Engine with 8-Speed Automatic Transmission - All-Wheel Drive System - Power Moonroof - Navigation System with Real-Time Traffic - Exterior Parking Camera with Rear View - Apple CarPlay Compatibility - Premium Hi-Fi Sound System with 9 Speakers - Heated Front Seats with Power Adjustment - Dakota Leather Upholstery - Dual-Zone Automatic Climate Control - Bi-Xenon Headlights with Auto-Dimming - 19-Inch Light Alloy Wheels - Emergency Communication System: BMW Assist eCall The X6 xDrive35i delivers capable performance with its turbocharged inline-six engine paired to an eight-speed automatic transmission and all-wheel drive. This combination provides responsive handling and reliable traction across various driving conditions. The vehicle achieves 18 city and 24 highway MPG, offering reasonable efficiency for its class and capability. Inside, the cabin reflects BMW's commitment to quality and comfort. The Dakota leather-appointed interior complements genuine wood trim accents throughout the dashboard, console, and door panels. Heated front seats with memory functions ensure personalized comfort for both driver and passenger. The power moonroof floods the cabin with natural light, enhancing the sense of spaciousness and openness. Technology integration prioritizes both convenience and connectivity. The navigation system provides comprehensive route guidance, while Apple CarPlay compatibility keeps you seamlessly connected to your smartphone. The premium Hi-Fi sound system with nine speakers delivers clear, immersive audio for your daily commute or long drives. Steering wheel-mounted controls for audio and climate settings allow intuitive operation without taking your hands off the wheel. Safety features are comprehensively equipped. The vehicle includes multiple airbags, electronic stability control, traction control, anti-lock brakes, and brake assist. A rear-view camera assists with parking and reversing maneuvers. The emergency communication system provides additional peace of mind for drivers and their passengers. With 38,687 miles, this Black X6 remains well-preserved and ready to deliver years of dependable service. The vehicle's design, engineering, and equipped features position it as an excellent option in the luxury performance segment. We encourage you to schedule a visit to examine this vehicle in person and experience its quality firsthand.
