Dealer notes

The 2024 Ford F-150 Lightning Pro 4WD SuperCrew 5.5' Box delivers the ultimate combination of modern electric efficiency and legendary truck capability. Finished in a crisp Oxford White exterior, this zero-emissions pickup is designed to meet the demands of commercial job sites, fleet operations, and everyday driving alike. Combining iconic F-Series utility with advanced all-electric power, this full-size electric truck offers a smart, forward-thinking solution for drivers seeking serious strength without relying on conventional fuel. Engineered for uncompromising utility, this 2024 Ford F-150 Lightning features a high-performance Dual eMotor setup paired with an extended range battery. The advanced All-Wheel Drive system delivers instant electric torque and exceptional traction across challenging road conditions and tough terrain. With an impressive Gross Vehicle Weight Rating (GVWR) of 8,550 lbs, this pickup provides heavy-duty hauling capability, making it fully equipped to manage substantial payloads while utilizing the versatile 5.5-foot cargo box for maximum productivity. Inside, the functional cabin is trimmed in a practical Medium Dark Slate interior, offering ample legroom and comfortable seating in the spacious SuperCrew configuration. The interior layout balances durable materials with modern design, creating a versatile and comfortable environment for driver and passengers. Delivering zero-tailpipe-emissions capability alongside trusted truck durability, the 2024 Ford F-150 Lightning Pro represents a dependable, future-ready vehicle built to get the job done.
