Click here to view your video from Tim Vanzile Step up your business operations with the versatile and highly capable 2025 Ram ProMaster Cargo Van Tradesman 2500 High Roof 159" WB. Sporting a clean Bright White Clearcoat exterior and a professional Black interior with a dedicated passenger seat, this commercial workhorse is engineered to meet the demanding needs of contractors, mobile businesses, and fleet operators alike. Built to maximize efficiency and daily productivity, this reliable commercial van offers the perfect blend of space, accessibility, and modern utility, making it an indispensable asset for your daily operations. At the heart of the 2025 Ram ProMaster is a dependable 3.6L 6-cylinder engine, delivering the robust performance and power required to confidently haul heavy payloads through busy city streets or across highways. The combination of the expansive 159" wheelbase and the High Roof design ensures massive cargo capacity, allowing workers to easily stand upright inside while loading and organizing gear. Further enhancing its utility, this model features the durable Mopar cargo load floor, providing a tough, slip-resistant surface designed to withstand the wear and tear of heavy equipment and daily loading. This specialized van is equipped with the Crew Van Package, offering the perfect balance of passenger seating and cargo flexibility. Drivers and passengers will experience elevated comfort and peace of mind on the road, thanks to the addition of the Premium Convenience Group and the Cold Weather Group, which ensure you stay connected and warm during early morning dispatches. Backed by the advanced driver-assist features of the Safety Group, this 2025 Ram ProMaster Cargo Van Tradesman 2500 is the ultimate mobile headquarters, ready to protect your crew and drive your business success forward.
