Dealer notes

Elevate your business operations with the versatile and dependable 2022 Mercedes-Benz Sprinter Cargo Van 2500 Standard Roof I4 Gas 144" RWD. Finished in a crisp White exterior, this commercial workhorse presents a clean, professional image ideal for business branding and fleet applications. Combining German engineering with uncompromised commercial utility, the 144-inch wheelbase and standard roof height offer the ideal balance of generous cargo volume and easy maneuverability. Whether you are managing daily urban deliveries, trade services, or mobile job sites, this Sprinter 2500 is designed to exceed expectations.Under the hood, this 2022 Mercedes-Benz Sprinter is driven by an efficient 2.0L 4-cylinder gasoline engine paired with a dependable rear-wheel drive setup. The RWD configuration provides solid traction and effective power delivery when hauling heavy loads, equipment, or inventory. The 144-inch wheelbase ensures confident highway stability while maintaining a manageable turning footprint for navigating tight streets and parking areas. Additionally, the standard roof profile gives you the flexibility to access garages and lower-clearance locations while retaining a highly functional, accessible cargo hold.Inside, the cabin features a durable Black interior built to handle the daily demands of commercial use. The driver-focused front cockpit provides a practical seating position and easy-to-reach controls to keep you comfortable throughout long workdays. Behind the seats, the expansive cargo bay offers a clean, open floor plan ready for custom upfitting, shelving, or bulk transport. Combining trusted capability, smart efficiency, and ultimate functional utility, this 2022 Mercedes-Benz Sprinter Cargo Van 2500 is ready to work for you—contact us today to learn more or schedule a viewing.
