We can do additional videos if requested. We are not experts on these classic Mercedes, but this car is one extremely clean specimen down to the factory decker grand Prix electronic cassette deck, all interior intact and from what we can tell probably factory original paint on this car. Very solid and rust free, extremely clean, alloy wheels with Toyo tires, all chrome stainless and trim intact and clean sheet will be happy to document or answer any questions that someone may have to better identify anything about this car.
