Dealer notes

Meet the Gray 2022 Hyundai Venuea city-sized SUV with a big-personality vibe and the kind of easy confidence that makes daily driving feel like less of a chore. Its efficient 4-cylinder gasoline engine pairs with an Intelligent Variable Transmission that can be nudged into different drive modes when the weather (or your mood) changes, while front-wheel drive and hill-hold control help keep things smooth and steady on everyday routes. Slide back the sunshade and let the light in through the power sunroof, cue up your favorite playlist with streaming audio through the 6-speaker setup, and settle into a comfortable cabin with automatic air conditioning, a leather-wrapped steering wheel, and smart storage touches for life's essentials. When it's time to haul groceries, gear, or weekend plans, the split-folding rear seat and covered cargo area help you keep it all tidy. Confidence comes built in, too, with a Rear View Monitor backup camera plus driver-assist safety tech like Forward Collision-Avoidance Assist, Blind Spot Collision Warning, and Rear Cross-Traffic Collision Warning keeping an extra set of eyes on the road. And for extra peace of mind, a CARFAX report is available for this Venue so you can check out its story before writing your own. At Montage Motors LLC quality is never compromised we only sell hand-picked high quality used cars trucks & SUV's.
