Dealer notes

If you are searching for the ultimate compact commercial workhorse to elevate your daily business operations, look no further than this 2023 Ford Transit Connect Van XL LWB w/Rear Symmetrical Doors. Finished in a clean, professional Frozen White exterior, this versatile cargo van is engineered to navigate tight city streets with ease while delivering the spacious utility your business demands. Designed specifically for efficiency and adaptability, it offers the perfect mobile canvas for your company branding and represents a smart, highly reliable investment for fleet owners and independent tradespeople alike. Under the hood, this efficient cargo van is powered by a dependable 2.0L 4-cylinder engine, providing the optimal balance of fuel economy and responsive power for both highway hauling and stop-and-go urban deliveries. The Long Wheelbase (LWB) configuration maximizes your cargo volume, ensuring you have ample space to organize tools, equipment, or packages. Loading and unloading are exceptionally convenient thanks to the rear symmetrical doors, which open wide to facilitate seamless access even in cramped loading zones or tight parking spaces. Inside, the cabin features a durable and professional Ebony interior with Ebony inserts, built to withstand the rigors of daily commercial use. The driver and passenger stay comfortable and supported with a 6-way manual driver seat and a 4-way manual passenger seat. This model comes equipped with essential technology and safety features to boost productivity and safety on the road, including the intuitive SYNC 3 radio system (without navigation), cruise control for relaxed highway driving, and peace-of-mind driver assists like BLIS (Blind Spot Information System) and a Reverse Sensing System. Don't miss the opportunity to upgrade your fleet with this highly capable 2023 Ford Transit Connect Van XL LWB—a dependable partner engineered to drive your business forward.
