### Dealer notes

Command the road and conquer the trail with this striking 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor. Finished in a distinctive Terrain exterior color paired with a refined Black interior, this high-performance truck delivers an unmistakable blend of desert-racing heritage and everyday utility. Designed for truck enthusiasts who demand ultimate capability without compromising style, this SVT Raptor stands as an extraordinary choice in the full-size truck market. Under the hood, this 2013 Ford F-150 is driven by a formidable 6.2L 8-cylinder engine that delivers relentless power and torque for any journey. Paired with a robust Four Wheel Drive (4WD) drivetrain and built on a 145-inch wheelbase, the SuperCrew configuration provides both generous passenger room and incredible capability. Whether navigating demanding off-road trails or handling daily driving duties, this truck's engineered powertrain provides maximum traction, control, and performance across all conditions. The cabin seamlessly blends rugged functionality with premium comfort, highlighted by the Luxury Equipment Group and the Raptor Plus Package. Drivers and passengers will appreciate the added light and open-air experience of the power moonroof, while maneuvering in tight spaces or over trail obstacles is simplified with the integrated front and rear view camera system. Complete with a helpful tailgate step for easy cargo access, this feature-packed 2013 Ford F-150 SVT Raptor is fully equipped to elevate your driving experience.
