Dealer notes

If you are looking for a reliable and capable pickup built to tackle tough jobs, this 2007 Ford F-150 2WD Supercab 145'' XL is an exceptional choice. Finished in a classic Oxford White Clearcoat, this truck presents a clean, professional aesthetic that is well-suited for both personal projects and fleet operations. The popular Supercab layout on a 145-inch wheelbase offers the ideal balance of bed space and cabin practicality, making it a versatile option for buyers who demand everyday utility.Under the hood, this F-150 is powered by a dependable 4.6L EFI V8 engine, providing robust horsepower and strong torque for hauling and towing. The two-wheel-drive (2WD) powertrain ensures efficient performance and straightforward maintenance, perfect for maximizing productivity on the road. Paired with a sturdy frame engineered for heavy-duty use, the 4.6L V8 engine delivers the solid driving performance and payload capability that Ford trucks are renowned for.Inside, the XL trim provides a functional, straightforward interior designed to withstand daily wear and tear. The Supercab configuration allows for easy access to rear seating or convenient, weather-protected storage for tools and supplies. Combining legendary American truck capability, a proven V8 powertrain, and a timeless Oxford White exterior, this 2007 Ford F-150 XL represents outstanding value for anyone needing a durable, work-ready truck.
