Dealer notes

Presenting an exceptional 2009 Aston Martin V8 Vantage Coupe finished in a brilliant Glacier Blue over a beautiful interior. With only 14,724 original miles on the odometer, this stunning sports car represents a rare opportunity to own a highly desirable, refreshed 4.7L model in stunning condition. The 2009 model year marked a significant evolution for the V8 Vantage, introducing the larger and vastly improved 4.7-liter V8 engine producing 420 horsepower and 347 lb-ft of torque. Power is delivered beautifully to the rear wheels, offering an intoxicating exhaust note and a genuinely analog driving experience that modern sports cars simply cannot replicate.
